AMBURGERS, AUG 28, ON THE EVE

ONE LAST NIGHT WITH THE HARDWARE

Amburgers slept with the belt. Stone Cold Fart Toot Squeek kicked the door in, stole the hardware, and gave the house a bottom line.

EDITOR'S LETTER

The belt slept. Nobody else did.

Amburgers and the hardware. Stone Cold mayhem. Mad Pooper. Cult induction. Boom's therapist plea. Then Kickers n Jigba put 179.86 on the champion like a war crime.

Amburgers went to sleep Aug 28 with the Lana Straw belt under one arm. That was the last quiet minute of the title reign. Stone Cold Fart Toot Squeek kicked the door, took the hardware, and left Amburgers on the carpet. Draft night still found time for the relegation ceremony: fire in a roasting pan, hands over hearts, ashes on the face.

The pod filed the before and after (So5 EP1 and EPo2). The Discord filed Mad Pooper, the foil alien, the Boom carousel and Boom's Monday therapy request. Kickers n Jigba filed 179.86. The champion still has the bruise.

The auction felt like the halftime show. The rest of the weekend was the game.

"364 days until the best weekend of the year."

ONE LAST NIGHT WITH THE HARDWARE

Austin 3:16 Says the Reign Is Over

Door. Stunner. Beers. Scripture. Bottom line. Stone Cold Fart Toot Squeek collected what was already his.

THE STRAW STAFF · KAYFABE DESK · AUG 28-30

And that's the bottom line, cause Stone Cold Fart Toot Squeek said so. [Google Photos](#) · draft weekend

"Enjoying my last night ..." [Amburgers](#) · Aug 28

Amburgers thought the belt was still theirs. Soft pillow. Soft light. Soft last night. Then the front door ceased to be a door.

Stone Cold Fart Toot Squeek kicked it in: black vest, bald head, glass raised, zero interest in a polite transfer of power. He ripped the Lana Straw championship off Amburgers like a man reclaiming stolen property, dropped them face-down on the carpet, and opened a beer for the house. Then another. Then John 3:16, loud enough to count as a title change.

The speech was short. This is his belt. This is his house. And that's the bottom line, cause Stone Cold Fart Toot Squeek said so. A week later Amburgers posted the memorial: "Once...a great belt hung on this wall..." Correct. It hangs somewhere louder now.

"No one asked for it, but he just went for it and ... had his coronation ceremony."

RELEGATION CEREMONY

Ashes for the Brothers Who Fell

The belt changed hands. Then the league lit a disposable pan and put ashes on the brothers who fell. Hands over hearts. Fire optional, apparently not.

GOOGLE PHOTOS · DRAFT WEEKEND · EP02 ON THE TRADITIONS

The draft board witnessed. It did not intervene. [Google Photos](#) · draft weekend

On EP02, Fart Toot Squeek asked about the new ceremonies. H Town called the parent tent for new members funny and the rest "a little over the top," then conceded that kicking a guy while he was down was part of the point. The champion liked the ashes. He wanted a longer menu.

THE TRADITION DESK

The ashes stayed. Fart Toot Squeek filed for more traditions before the fire cooled.

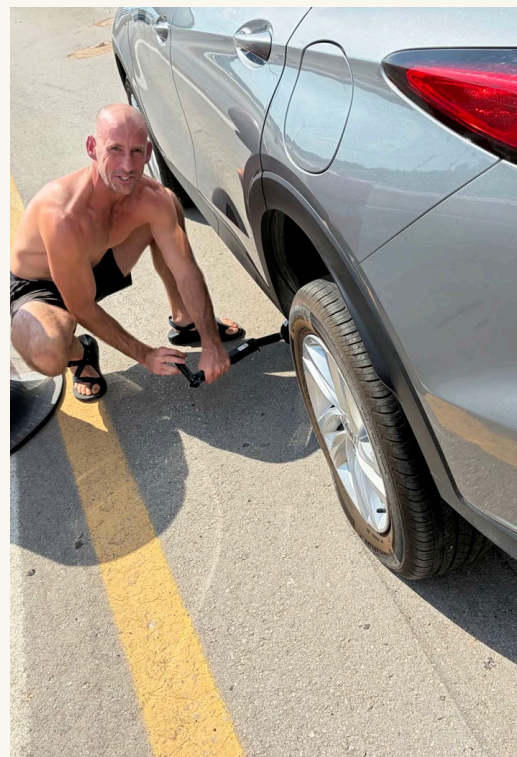

AFTER THE BELT CHANGED HANDS

The Best Weekend of the Year

Mad Pooper terrorizes Dublin. Boom loses to a tire. The Champeens induct a cult. The Wheaton Dick Whacker starts the 364-day clock.

Where \$200 goes to die with dignity. **Draft weekend**

First opponent of the year: Goodyear. **Discord · Aug 28**

AUCTION SNAPSHOT

Premier: 192 picks · 18 keepers · \$2,410 spent · max \$76

Champeens: 192 picks · 0 keepers · \$2,376 spent · max \$73

Before a nomination reached the board, The Jackal sent the cold open from Dublin. Three resort elevators had been compromised. So had the lobby. Staff had deployed anti-poo powder. "There is a serial, resort, dooker on the loose in Dublin. I'm afraid that he is only getting more powerful."

Closer to Fredericksburg, Amburgers needed an air pump for "the kicking balls in my luggage." Jesus Neck Tattoo answered: "Not sure if I'm agreeing to a sexual act or genuine request for an inflation device."

Boom Baum made the interstate and found a flat. The draft found daylight, handwritten boards and people

pointing like the belt ceremony had already sorted the hierarchy.

The Champeens ran their own honest initiation. BTeamSpecialist wrote, "Welcome to the cult .. errr league!" SJones answered, "Ngl- it does feel like I joined a cult."

Correct. The auction was only one sacrament.

BIKES, PLANKS, WATERMELON

The Body Keeps Score

The pod asked if everyone was too old. Draft weekend answered with tricycles, a pool and half a watermelon used as equipment.

Facebook Marketplace, official mobility partner of the Hemorrhoid Games.

Mario Kart, with tomorrow morning attached.

Balance left the chat.

"I need a little more energy in here, otherwise everyone running fuckin 40's when I get there. I'll be drinkin a 40"

Dress Code: Explain Later

Foil alien. Skirt and wig. Day-one formalwear. Parents asked sensible questions. The Discord answered anyway.

Official uniform of a planet with no waiver priority.

Scouting report: considerable open space.

Day one had outfits. The ceremony had Stone Cold. The field had foil. No written uniform policy has ever survived contact with this evidence.

"Got my day 1 outfit ready to go!"

The parental inquiry.

PARENTS REVIEW THE FILM

Amburgers later explained that Celery Stinks wanted it known the skirt and wig had been involuntary. The parents asked which person that was. Amburgers pointed at the skirt and wig. They had thought that was a girl. Public kudos followed for crushing it.

"Is my son ... going to the draft??"

The Champeens called it a cult. Wardrobe entered the exhibits without objection.

BEFORE AND AFTER

Aging Reality, Live From the Pod

H Town asked if they were too old. Fart Toot Squeek answered with virility doctrine. Boom sat two hours, then nine \$1 players. Amburgers finished one point short on the kickball field.

S05 EP1 · AUG 20 · DRAFT WEEKEND PREP

The Hemorrhoid Games Were Coming

H Town opened the clock: "Draft is one week away. I just, I get chills saying it. It's like Christmas times 10."

Amburgers arrived already humbled by relegation and proud of the back-to-back titles that preceded it. Fart Toot Squeek admitted the cooking competition existed because he sucks at cooking. Proxies narrowed to births and deaths. "Sorry about weddings."

Ed Orgeron filed a recorded cameo on the attendance controversy. The weekend still showed up.

S05 EP02 · SEP 3 · TRIUMPH, DEFEAT, JOY, HUMILITY

Sore Muscles, Confirmed

H Town asked the question: "did anyone else think maybe we're getting a little too old for this." Fart Toot Squeek answered with Celery Stinks collapsing on the 40 and the doctrine of one weekend of virility.

Tricycle burns. Mario Kart collisions. Amburgers one point short after inches left on the kickball field. Watermelon shoved until The Guy Next Door channeled beer-bong technique.

"if we didn't care then this wouldn't be that great," Fart Toot Squeek said. That is the entire business model.

--	--	---	--

The Draft, Recounted

EP02 put the receiver market on the board. Chase at \$65, Amon-Ra at \$54, Jefferson at \$46 and CeeDee Lamb at \$44. The WR cliff had receipts.

Fart Toot Squeek chased Gibbs to \$76 against Diamond Dogs and said he would have gone to \$78. Then he sat two hours without a pick until the room cheered nine one-dollar players onto the board.

Amburgers watched Jonah Coleman get sniped in the Champeens draft. H Town handled draft work for Warren's \$2 Warriors. The episode retired the end-of-show bit. Aging requires edits.

"we've got to do all this amazing like really we just have a ton of fun ... and then the draft feels almost secondary until you get in it." **Fart Toot Squeek · EP02**
