AMBURGERS, AUG 28, ON THE EVE

ONE LAST NIGHT WITH THE HARDWARE

Amburgers slept with the belt. Stone Cold Fart Toot Squeek kicked the door in, stole the hardware, and gave the house a bottom line.

EDITOR'S LETTER

The belt slept. Nobody else did.

Amburgers slept with the belt like the season still loved him. Stone Cold kicked that idea through the wall. Mad Pooper terrorized Dublin. Boom begged for a therapist. Kickers n Jigba put 179.86 on the champion and dared anybody to call it football.

Amburgers went to sleep Aug 28 with the Lana Straw belt under one arm. That was the last quiet minute of the title reign. Stone Cold Fart Toot Squeek kicked the door, took the hardware, and left Amburgers on the carpet. Draft night still found time for the relegation ceremony: fire in a roasting pan, hands over hearts, ashes on the face.

Mad Pooper hit Dublin. Celery Stinks hit the field in a blonde wig. Boom ran the carousel until Monday required a therapist. Kickers n Jigba put 179.86 on the champion. The bruise is still settling.

The auction felt like the halftime show. The rest of the weekend was the game.

"364 days until the best weekend of the year."

ONE LAST NIGHT WITH THE HARDWARE

Austin 3:16 Says the Reign Is Over

Stone Cold Fart Toot Squeek kicked the door, stole the belt, dropped Amburgers on the carpet, chugged for the house, and told everybody the bottom line.

THE STRAW STAFF · KAYFABE DESK · AUG 28-30

And that's the bottom line, cause Stone Cold Fart Toot Squeek said so. [Google Photos](#) · [draft weekend](#)

"Enjoying my last night ..." [Amburgers](#) · [Aug 28](#)

Amburgers thought the belt was still theirs. Soft pillow. Soft light. Soft last night. Then the front door ceased to be a door.

Stone Cold Fart Toot Squeek kicked it in: black vest, bald head, glass raised, zero interest in a polite transfer of power. He ripped the Lana Straw championship off Amburgers like a man reclaiming stolen property, dropped them face-down on the carpet, and opened a beer for the house. Then another. Then John 3:16, loud enough to count as a title change.

The speech was short. This is his belt. This is his house. And that's the bottom line, cause Stone Cold Fart Toot Squeek said so. A week later Amburgers posted the memorial: "Once...a great belt hung on this wall..." Correct. It hangs somewhere louder now.

"No one asked for it, but he just went for it and ... had his coronation ceremony."

RELEGATION CEREMONY

Ashes for the Brothers Who Fell

The belt changed hands. Then the league lit a disposable pan and marked the brothers who fell. Hands over hearts. Fire optional. Fire present.

THE STRAW STAFF · DRAFT NIGHT

The draft board witnessed. It did not intervene. **Draft weekend**

The parent tent for new members was funny. The rest of it was, as H Town put it, "a little over the top." That was the compliment. Kicking a guy while he is down is the point. Fart Toot Squeek loved the ashes so much he started shopping for sequels before the smoke cleared. Longer menu. More traditions. Same fire pan if the budget demands it.

THE TRADITION DESK

The ashes stayed. The champion wants a sequel series.

AFTER THE BELT CHANGED HANDS

The Best Weekend of the Year

Mad Pooper terrorizes Dublin. Boom loses to a tire. The Champeens induct a cult. The Wheaton Dick Whacker starts the 364-day clock.

Where \$200 goes to die with dignity. **Draft weekend**

Before anyone nominated a player, The Jackal was already filing from Dublin. Three resort elevators compromised. Lobby compromised. Staff working anti-poo powder overtime. "There is a serial, resort, dooker on the loose in Dublin. I'm afraid that he is only getting more powerful."

Closer to Fredericksburg, Amburgers needed an air pump for "the kicking balls in my luggage." Jesus Neck Tattoo, ever the scholar: "Not sure if I'm agreeing to a sexual act or genuine request for an inflation device." Boom Baum made the interstate and lost to a tire. By daylight the boards were handwritten, the laptops were

The Champeens ran orientation without the brochure. "Welcome to the cult .. errr league!" "Ngl- it does feel like I joined a cult."

Correct. The auction was only one sacrament.

The Body Keeps Score

Somebody wondered if the room was too old for this. Then the room bought tricycles, flooded a pool and treated half a watermelon like game equipment.

DRAFT WEEKEND FASHION DESK

Dress Code: Explain Later

Celery Stinks hit the field in the look Fart Toot Squeek picked out: blonde wig, green top, purple skirt. Amburgers' parents swore they had seen a girl. The Wheaton Dick Whacker showed up day one already dressed for war. Somebody's parent typed the only sane sentence of the weekend and the league treated it like a joke setup.

Celery Stinks. Styling by Fart Toot Squeek.

Open space. No buttons. No mercy.

There is no dress code because a dress code would lose. Day one arrived in formalwear. The title change arrived as Stone Cold. The field arrived as Celery Stinks in a

"Got my day 1 outfit ready to go!"

A parent tried reason. Cute.

PARENTS REVIEW THE FILM

Celery Stinks wanted it on record: the skirt and wig were involuntary. Fart Toot Squeek had picked the fit. Amburgers tried explaining that to the parents. The parents asked which guy. Amburgers pointed at the skirt and wig. Oh, they said. We thought that was a girl. Then they gave full marks for crushing it anyway.

"Is my son ... going to the draft??"

blonde wig, scanning for intelligent life and finding Kickball instead.

The Champeens already called it a cult. Wardrobe just brought the uniforms.

BEFORE AND AFTER

Aging Reality, Live From the Pod

H Town floated the age question. Fart Toot Squeek shut it down with one weekend of virility. Boom sat on his hands for two hours, then unveiled nine dollar players like a magic act. Amburgers left one point on the kickball field and called it humility.

S05 EP1 · AUG 20 · DRAFT WEEKEND PREP

The Hemorrhoid Games Were Coming

"Draft is one week away. I just, I get chills saying it. It's like Christmas times 10."

Amburgers still carried back-to-back titles and the fresh bruise of relegation. Fart Toot Squeek admitted the cooking competition exists because he sucks at cooking. Proxies narrowed to births and deaths. "Sorry about weddings."

Ed Orgeron even mailed in a cameo on the attendance fight. The weekend did not care. It arrived on schedule.

S05 EP02 · SEP 3 · TRIUMPH, DEFEAT, JOY, HUMILITY

Sore Muscles, Confirmed

"did anyone else think maybe we're getting a little too old for this"

Celery Stinks collapsed after the 40. Tricycles left burns. Mario Kart left collisions. Amburgers came one point short with inches still sitting on the kickball field. Watermelon left the realm of food and entered the realm of punishment, The Guy Next Door working the feed like a beer bong.

"if we didn't care then this wouldn't be that great." That is the entire business model.

BOOM SILENCE

The Draft, Recounted

The running backs walked into the room like celebrities and left like ransom notes. Every nomination felt urgent. Hands flew. Boards filled. Somebody would barely get a name out before the bidding turned into a bar fight with dollar bills.

Cowboys September Dreams ran the Premier auctioneer desk like a man possessed, voice climbing every time another back hit the board. Fart Toot Squeek and Diamond Dogs turned Gibbs into a cage match. Boom spent early, vanished for two straight hours, then resurfaced with a parade of one-dollar players while the room cheered like church let out.

Across the hall the Champeens were no calmer. Amburgers watched Jonah Coleman get sniped out from under him. Picks kept flying. The night refused to behave. By the end the draft felt secondary only because everything else had already cooked the league first.

"we've got to do all this amazing like really we just have a ton of fun ... and then the draft feels almost secondary until you get in it." **Fart Toot Squeek**
