DRAFT WEEKEND OPENS THE YEAR

# POINT TAKEN

Fredericksburg opens the Lana Straw year in pointing fingers, handwritten boards, and a league that still treats August like a pilgrimage.

# Welcome back to the cult.

*A commissioner's note on pilgrimage, Chop, Name Change Terror, and the first Sunday that already feels like a season.*

Every August the same miracle: grown adults with mortgages and group chats treat a draft table in Fredericksburg like the only pilgrimage that still matters. Hands go up. Boards fill. Someone asks for an air pump. Someone else is already wearing a skirt and a wig. The year begins not with Week 1, but with the weekend that makes Week 1 feel like an epilogue.

This issue of *Lana Straw Weekly* — house title, no corporate cousin — is the ledger of that opening act. Draft weekend lore. The Boom Baum trade carousel (four Premier deals in roughly sixteen days, all from the league database). Dual-league scoreboards, sourced from ESPN live while our own scoring tables catch their breath. NCT and Chop notes as Discord announced them. Pull quotes preserved exactly, because editing the Jackal's Dublin elevator report would be a crime against literature.

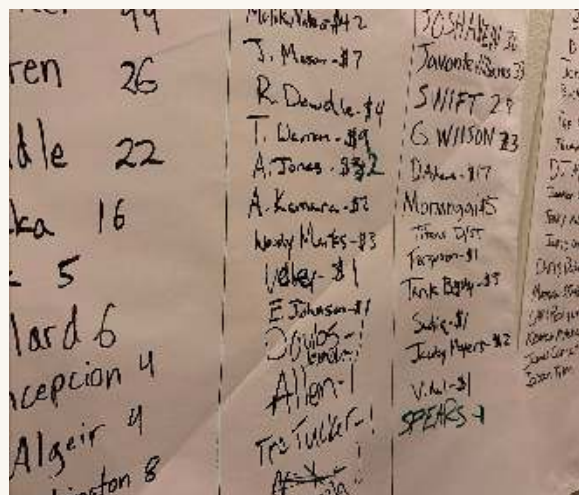

Week 1 is in the books. The Kickers n Jigba put up 179.86. Otter sits atop Champeens. Boom asked for a fantasy-football therapist. Backdoor Heat scored the league's lowest. And somewhere in the Discord ether, the countdown remains the purest truth we have:

*“364 days until the best weekend of the year.”*

## PACKAGE A

# The Best Weekend of the Year

*Mad Pooper in Dublin. Flat tires on the interstate. Forty-ounce energy. A cult induction in Champeens. And a countdown that starts the second the boards come down.*

**Arrival energy.** Top: outdoor daylight social table (Google Photos). Bottom: Boom Baum — “Flat tire on interstate,” Discord #general, Aug 28.

**B**efore anyone touched a nominator list, The Jackal filed the cold open of the year from Dublin: a serial resort dooker, three elevators compromised, lobby compromised, staff armed with anti-poo powder, second night running. “I’m afraid that he is only getting more powerful.” Travel lore, elevated — or rather, not.

Closer to home, Amburgers requested an air pump for “the kicking balls in my luggage.” Jesus Neck Tattoo, ever the philosopher: “Not sure if I’m agreeing to a sexual act or genuine request for an inflation device.” The Wheaton Dick Whacker dialed the thermostat: more energy, or everyone’s running 40s — and he’d be drinking one either way.

Boom flew toward the weekend with a flat tire on the interstate and a camera pointed at destiny. Outfit posts rolled in. Amburgers enjoyed a last night. OC002 asked the essential parental question: is my son going to the draft? The answer, as ever, was yes — and then some.

Inside the room: handwritten boards, laptops, pointing. Claude’s keeper-board gag (Aubrey the kicker) floated through iterations. Auction math: Premier 192 picks, 18 keepers, \$2,410 spent (max \$76); Champeens 192 picks, zero keepers, \$2,376 spent (max \$73). Numbers from Supabase. Vibes from everywhere else.

On the Champeens side, induction was refreshingly honest. BTeamSpecialist: “Welcome to the cult .. errr league!” SJones: “Ngl- it does feel like I joined a cult.” Correct on both counts.

And then Zach — forced into the skirt-and-wig 40, according to Amburgers’ parents debrief — absolutely crushed it. The parents thought that was a girl. Kudos filed publicly. Draft weekend is not a dress rehearsal for fantasy football. It is the sport.

**Driveway heat.** Night bike action under the basketball hoop. Google Photos curated set.

**Two up.** Riders crossing with spectators in the shadows. Google Photos curated set.

**Plank protocol.** Night pool game with a board over water. Google Photos.

**Hydration & football.** Poolside watermelon candid. Google Photos.

*“I need a little more energy in here, otherwise everyone running fuckin 40’s when I get there. I’ll be drinkin a 40.”*

— THE WHEATON DICK WHACKER · #GENERAL · AUG 28

**Day 1 ready.** The Wheaton Dick Whacker — “Got my day 1 outfit ready to go!” Discord, Aug 28.

**Last night.** Amburgers — “Enjoying my last night ...” Discord, Aug 28.

**If he was a bee.** Fart Toot Squeek meme post, Discord, Aug 30.

## Skirt, wig, parental confusion

**A**mburgers reported the postgame review to the parents: Zach wanted it known he was forced into the outfit. Parents: who? Amburgers: the guy in the skirt and wig. Parents: oh — we thought that was a girl. Public kudos to Zeethemoney for crushing it. This is the kind of box score you cannot find on ESPN.
