WORKING

Dallas at 26% gives Champeens real airtime. Chase / Jerry GM led non-host talk. Luke and Boom both landed via voicemail.

FIX NEXT (EP04)

Queue the five blanks — four Champeens plus Kickers. Even short name-checks close the slate.

Method

Re-diarized with Whisper large-v3-turbo + pyannote. Voicemails labeled Luke / Boom from context. Mentions scored from franchise names and aliases; host self-name cues excluded.
