AMBURGERS, AUG 28, ON THE EVE

ONE LAST NIGHT WITH THE HARDWARE

The champion slept with the belt. Fart Toot Squeek arrived as Stone Cold Steve Austin to take it away.

EDITOR'S LETTER

The weekend became the season.

A championship handoff, a cult induction, sore bones, two drafts and one Sunday that required therapy.

Amburgers went to sleep Aug 28 holding the Lana Straw championship belt. The photograph looked tender. The calendar was not. Fart Toot Squeek was already coming for the hardware in a Stone Cold Steve Austin costume, with beers and John 3:16 waiting in the wings. Draft night then staged the relegation ceremony for the brothers who fell: fire in a roasting pan, hands over hearts, ashes on the face.

This expanded *Lana Straw Weekly* is the full Draft Weekend and Week 1 ledger. The League of Record supplied the before and after in S05 EP1 and EP02. Discord supplied the Mad Pooper, the wardrobes, the trade demands and the first Monday breakdown. ESPN supplied 179.86.

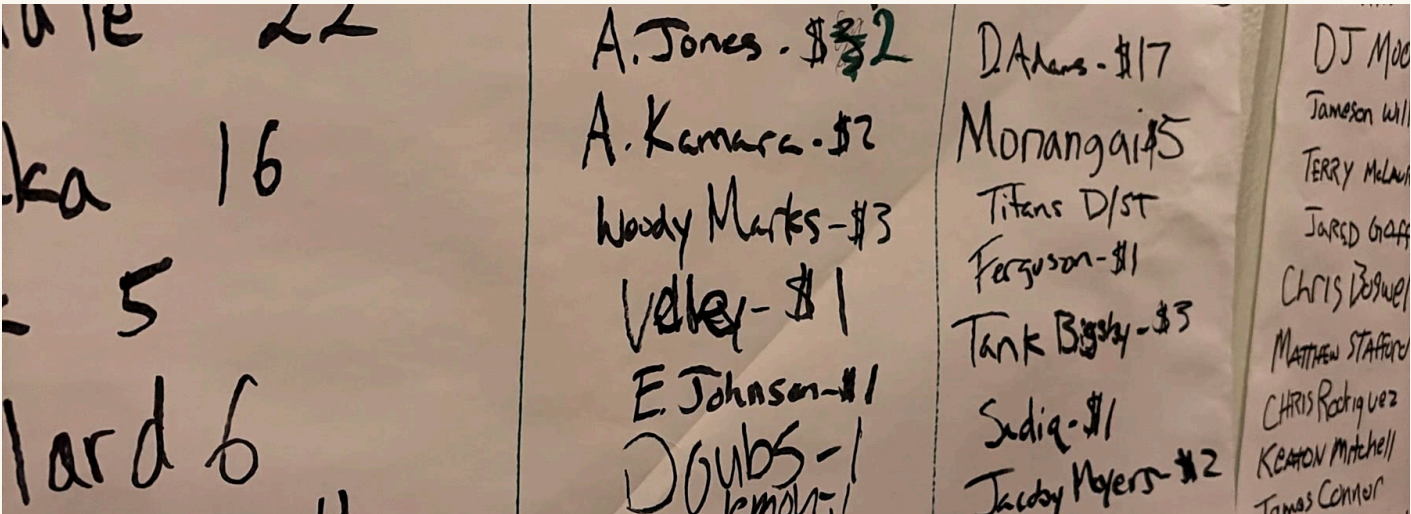

The draft weekend still does something no schedule can. It makes the auction feel like halftime.

"364 days until the best weekend of the year."

ONE LAST NIGHT WITH THE HARDWARE

Austin 3:16 Says the Reign Is Over

Amburgers slept beside the belt. Fart Toot Squeek came dressed as Stone Cold Steve Austin to collect it. Beers were chugged. John 3:16 was read. All-out mayhem followed.

"Enjoying my last night ..." **Amburgers · Aug 28**

Two days out, Fart Toot Squeek flooded Discord with Stone Cold Steve Austin GIFs. Amburgers still spent Aug 28 in bed with the Lana Straw belt tucked under one arm.

Then the champion arrived as Stone Cold: black vest, bald head, belt over the shoulder, Amburgers face-down on the carpet. Beers were chugged. John 3:16 was read. Mayhem followed.

So5 EP1 had already named the belt around the waist. EP02 returned to the ceremonies. A week later the memorial hit the wall: "Once...a great belt hung on this wall..."

"No one asked for it, but he just went for it and ... had his coronation ceremony."

RELEGATION CEREMONY

Ashes for the Brothers Who Fell

Draft night did not stop at the belt. The league staged the relegation ceremony for the brothers who dropped, with fire in a roasting pan and hands over hearts.

Hands on hearts. Fire in a disposable pan. The draft board watched from the corner. [Google Photos](#) · draft weekend

On EP02, Fart Toot Squeek asked about the new ceremonies. H Town called the parent tent for new members funny and the rest "a little over the top," then conceded that kicking a guy while he was down was part of the point. The champion liked the ashes. He wanted more traditions.

THE TRADITION DESK

The ashes stayed. Fart Toot Squeek wanted more traditions.

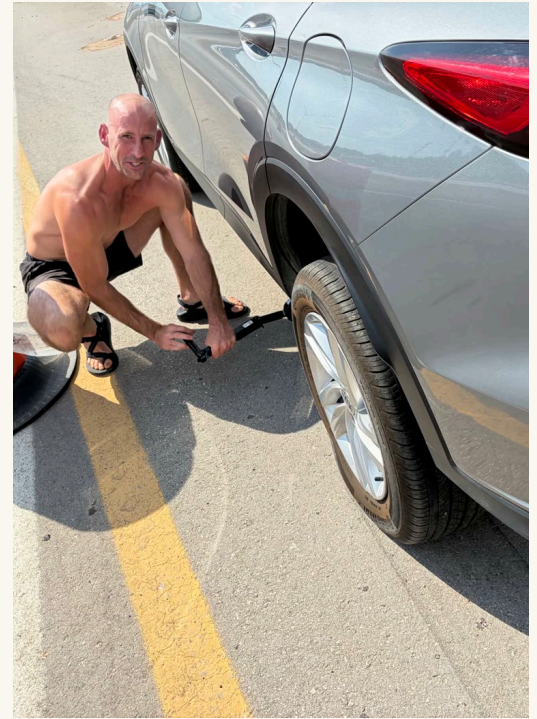

AFTER THE BELT CHANGED HANDS

The Best Weekend of the Year

Mad Pooper in Dublin. Flat tire on the interstate. Two auction rooms. Cult induction. Then the countdown started again.

AUCTION SNAPSHOT

Premier: 192 picks · 18 keepers · \$2,410 spent · max \$76

Champeens: 192 picks · 0 keepers · \$2,376 spent · max \$73

Before a nomination reached the board, The Jackal sent the cold open from Dublin. Three resort elevators had been compromised. So had the lobby. Staff had deployed anti-poo powder. "There is a serial, resort, dooker on the loose in Dublin. I'm afraid that he is only getting more powerful."

Closer to Fredericksburg, Amburgers needed an air pump for "the kicking balls in my luggage." Jesus Neck Tattoo answered: "Not sure if I'm agreeing to a sexual act or genuine request for an inflation device."

Boom Baum reached the interstate and found a flat tire. The draft reached daylight and found handwritten boards, laptops and people

pointing with the confidence of men who had already survived the belt ceremony.

The Champeens conducted their own honest initiation. BTeamSpecialist wrote, "Welcome to the cult .. errr league!" SJones answered, "Ngl- it does feel like I joined a cult."

Correct. The auction was only one sacrament.

BIKES, PLANKS, WATERMELON

The Body Keeps Score

The pod warned about sore seat bones. Draft weekend answered with tricycles, a pool and half a watermelon.

Facebook Marketplace, official mobility partner of the Hemorrhoid Games.

Mario Kart, with tomorrow morning attached.

Balance left the chat.

Dress Code: Explain Later

Foil alien. Skirt and wig. Day-one formalwear. Parents asked sensible questions and received league answers.

Official uniform of a planet with no waiver priority.

Scouting report: considerable open space.

Day one had outfits. The ceremony had Stone Cold. The field had foil. Draft weekend continued to prove that the league's uniform policy is unwritten because no policy

"Got my day 1 outfit ready to go!"

The parental inquiry.

PARENTS REVIEW THE FILM

Amburgers later explained that Zach wanted it known he had been forced into the skirt and wig. The parents asked which person was Zach. Amburgers identified the guy in the skirt and wig. They had thought that was a girl. Public kudos followed for crushing it.

"Is my son ... going to the draft??"

could survive contact with the evidence. The Champeens called it a cult. The wardrobe department entered the exhibits.

BEFORE AND AFTER

Aging Reality, Live From the Pod

First came the training plan. Then came tricycle burns, watermelon stuffing, auction cliffs and the realization that mid-40s virility has terms.

S05 EP1 · AUG 20 · DRAFT WEEKEND PREP

The Hemorrhoid Games Were Coming

H Town opened the clock: "Draft is one week away. I just, I get chills saying it. It's like Christmas times 10."

Amburgers arrived already humbled by relegation and proud of the back-to-back titles that preceded it. Fart Toot Squeek admitted the cooking competition existed because he sucks at cooking. Proxies were narrowed to births and deaths. "Sorry about weddings."

Ed Orgeron filed a recorded cameo on the attendance controversy. The weekend still arrived.

S05 EP02 · SEP 3 · TRIUMPH, DEFEAT, JOY, HUMILITY

Sore Muscles, Confirmed

H Town asked the question: "did anyone else think maybe we're getting a little too old for this." Fart Toot Squeek answered with Zach collapsing on the 40 and the doctrine of one weekend of virility.

Tricycle burns. Mario Kart collisions. Amburgers one point short after inches left on the kickball field. Watermelon shoved into Josh's mouth until The Guy Next Door channeled beer-bong technique.

"if we didn't care then this wouldn't be that great," Fart Toot Squeek said. Stakes are the product.

--	--	---	--

The Draft, Recounted

EP02 put the receiver market on the board. Chase at \$65, Amon-Ra at \$54, Jefferson at \$46 and CeeDee Lamb at \$44. The WR cliff had receipts.

Fart Toot Squeek chased Gibbs to \$76 against Diamond Dogs and said he would have gone to \$78. Then he sat two hours without a pick until the room cheered nine one-dollar players onto the board.

Amburgers watched Jonah Coleman get sniped in the Champeens draft. H Town handled draft work for Dave. The episode retired the end-of-show bit. Aging requires choices.

"we've got to do all this amazing like really we just have a ton of fun ... and then the draft feels almost secondary until you get in it." **Fart Toot Squeek · EP02**
