Champeens coverage

Still blank this week
OKC Schlegstas (Ben Schlegel) — only Champeens franchise with zero name-check. Premier went perfect.

Vs EP03
EP03 left five blanks. EP04 closed Kickers, Jackal, Jordan's Trainers, My Naber (Spencer), and Mac Attack (ASR heard "McIntyre" when Scott talked about peens email alerts / bad trades). Only Schlegel still cold.

Who did the talking

Share of cleaned talk time. Scott hosts; Dallas and Robert (Kickers n Jigba) split the rest nearly evenly. No Jonathan / John this week.

WORKING

Premier 12-for-12. Robert closed Kickers. Scott's peens email-alert bit (ASR: "McIntyre") lands Mac

FIX NEXT (EP05)

Only OKC Schlegstas is still blank two weeks running. Queue Ben / Schlegel.

Attack. Spencer / My Naber, Jackal, and Jordan's Trainers all name-checked.

Method

Whisper large-v3-turbo + pyannote; host intro corrected after Robert centroid mismatch. Mentions scored from franchise names and aliases (incl. ASR "McIntyre" → Mac Attack; Spencer → My Naber Tetairo); panelists saying their own first name excluded.
